

Vanshika Bhatia

Computer Science Engineering Student and Graphic Designer

About Me

Hello! I'm Vanshika Bhatia. I am a Computer Science Engineering student and a Graphic Designer. I am passionate about programming using several languages like C, C++, Java and I'm a master of graphic design tools such as Illustrator and Photoshop. I am a quick learner and a team worker that gets the job done.

I am able to work effectively despite time constraints and pressure.
